

RACINES DU CIEL ROSE 2020

Ventoux Controlled Origin Certification

It is in Bédoin, in the heart of the **Comtat Venaissin**, that Thierry Delasalles settled more than 10 years ago to create the **DOMAINE LES PATYS**. The 12 hectares vineyard is located on the southern slopes of **Mont-Ventoux**, between 250 and 450 meters in altitude.

The wines have been certified ORGANIC since 2018 and the exploitation is in **HVE** conversion. Thierry is also involved in a project of Ecological and Environmental Interest Group (**GIEE**) working on **Agroforestry**.

Thierry Delasalles is one of the Ambassadors of the **AOC Ventoux** registered in a global approach taking into account the ecological, environmental, economic and societal interests that guarantee Sustainable agriculture.
